

Fundraising Opportunities

in Support of the

12th Annual KAAN Conference

JULY 23-25, 2010/ HERSHEY, PA

KAAN is a small nonprofit with a big project ... the coordination of a national conference that brings together adult Korean-born adoptees, their families, Koreans, and Korean Americans to better understand and support adoptees. We do what we can to keep fees low—staff even donate their time—but to provide a quality gathering at an affordable rate we need the support of like-minded donors. General donations are tax-deductible and will be acknowledged in our printed program. Below are additional sponsorship opportunities (*those that involve receipt of goods or services may not be fully deductible*).

Here's how YOU can help make this conference affordable for adoptees and their families ...
